November Club Highlights

We welcomed our newest member, Lion Stephen Vance at our meeting on November 13th. Stephen was sponsored by Lion David Zimmerman and inducted by Lion Frank Cuomo and Lion President Michael D'Ambrosio. Welcome Lion Stephen! Roar Lions!

Denise Castracuocco, an 8th grader at Tuckahoe-Middle School, was honored for her winning Poster at our Club Meeting on November 27th. Celebrating with her were her parents and her Aunt & Uncle.

This year we sponsored the Peace Poster Contest at the Tuckahoe Middle School with the theme “Imagine Peace.” Denise was presented with a \$100.00 check and received a thunderous “Lion’s Roar” from the Club Members. (Roar Lions! Roar Lions! Roar Lions! Bite ‘em! Bite ‘em! Bite ‘em! Denise! Denise! Denise!)

Her artwork will be submitted to the District for judging and then hopefully will go on to the International competition where the prize is \$5,000.00!

Our Club Members picked her entry from the over 20 entries submitted by the students. From left to right, Lion David Zimmerman, Denise, Dr. Timothy Mundell, Tuckahoe Middle School Principal and Lion President Michael D’Ambrosio.

Very special “Thank You” to Dr. Mundell & Dr. Besvinick for their cooperation & assistance in making this year’s contest a success!

Lions Clubs International

Fact Sheet

Lions Clubs International is the world's largest service club organization.

We have more than 1.3 million members in more than 45,000 clubs worldwide.

Lions are everywhere.

We're active men and women in more than 200 countries and geographic areas.

Lions have a dynamic history.

Founded in 1917, we are best known for fighting blindness – it's part of our history as well as our work today. But we also volunteer for many different kinds of community projects – including caring for the environment, feeding the hungry and aiding seniors and the disabled.

Lions give sight.

By conducting vision screenings, equipping hospitals and clinics, distributing medicine and raising awareness of eye disease, Lions work toward their mission of providing vision for all. Lions have extended their commitment to sight conservation through countless local efforts and through their international SightFirst Program, which works to eradicate blindness.

Lions serve youth.

Our community projects often support local children and schools through scholarships, recreation and mentoring. Internationally, we offer many programs, including the Peace Poster Contest, Youth Camps and Exchange and Lions Quest.

Our Leo Program provides the youth of the world with an opportunity for personal development through volunteering. There are approximately 144,000 Leos and 5,700 Leo clubs in more than 140 countries worldwide.

Lions award grants.

Since 1968, the Lions Clubs International Foundation has awarded more than \$660 million in grants to support Lions humanitarian projects around the world. The Foundation was also ranked the number one nongovernmental organization in a 2007 study by The Financial Times.

Together, our Foundation and Lions are helping communities following natural disasters by providing for immediate needs such as food, water, clothing and medical supplies and aiding in long-term reconstruction.

Lions are active.

Our motto is "We Serve." Lions are part of a global service network, doing whatever is necessary to help our local communities.
