ZERO-K ROAD RACE

Net Proceeds will Benefit the Family of Jenna Velez of Tuckahoe

Come join your neighbors in a fun event for a worthy cause on Saturday, September 24th at the Broken Bow Brewery on Marbledale Road in Tuckahoe from 2 to 5pm.

A Zero-K Road Race will challenge the contestants of all genders and ages (over 21) to see who can cover the non-distance in the fastest time. Everyone is a champion!

The proceeds will benefit the family of local 12-year-old Jenna Velez, whose courageous battle against a very rare ailment has incurred overwhelming medical expenses.

The registration fee of \$25 will provide each participant with a souvenir runner's individually numbered bib, a pint of one of Broken Bow's outstanding craft brews, pasta, music and entertainment, and a great sense of accomplishment in the aid of a great cause. Not to mention priceless bragging rights!

Broken Bow Brewery will also contribute a generous portion of the cost of any additional beverage purchases to the Velez family.
